ST MICHAEL'S SCHOOL SPORTS INFORMATION

Aylesbury Vale Boys Football League
St Michael's Year 5 Boys B team v ST MARY'S SCHOOL AWAY
Thursday 12th March 2020.
Report by Jack and Thomas

On Thursday St Michael's B Team - Kyle, Thomas, Jacob, Jack Bl, Archie, Zach Bl, Jenson and Lew played St Mary's in Aylesbury after school. At the match, Jenson, Archie and Jacob scored all in the second half. In the last 10 minutes of the match Kyle came out of goal and dived to make an amazing save. Lew was Man of the Match for all his running around and getting the ball all of the time and he deserved it. Lew's grey hair was very lucky and really cool. So it was a match win to St Michael's.
Many thanks to Mrs Munday and to the parents for transporting and supporting us.

A message from Mrs Munday - Resources to stay active

I'm sure you will all be wanting to keep your children active as much as possible whilst we are not in school. Here are a few links and suggestions to add to those simple walks, bike rides and kickabouts you may be planning:
www.bbc.co.uk/teach/supermovers.com - free resource to keep children active and learn at the same time. Years 2/3 will be familiar with the timetables activities especially.
www.jumpstartjonny.co.uk - Jonny is currently putting on free workouts for parents to access for their children alongside the free trials already on there . All St Michael's pupils are familiar with this resource and they have a good range of active and mindfulness based workouts.
Tatty Bumpkins Yoga - This is the yoga company who have worked in school with Foundation and KS1. They will be delivering online sessions very soon. Check out their FB page for details and we will send on a link when they are up and running.
Danchapmanfitness.com - see facebook /website for details of Dan's live PE lesson for all ages 9am Monday
National Trust - free access to selected grounds and gardens - just remember your picnic.

Yours sincerely,
Alison Cooper,
School Secretary
