St Michael's C of E School Newsletter

NO 29

Dear Parents, Carers & School Community,

I hope you all enjoyed the Bank Holiday weekend, regardless of the disappointing weather!

It has been a short week, with nothing much to report, though sometimes, no news is good news - so they say!

As always, the few days we have had this week have been enjoyable and the children have been able to enjoy their lessons inside and outside.

As I write this, I can hear the sound of drums being played in the background, as our Bucks Music Teacher is in today and also the chatter of the children in the IT Room and Library.

Honestly, it such a pleasure to work in such a wonderful environment.

Warmest Regards,
Mrs Dena Gardner,
School Secretary

Plea from Mrs Munday

In September 2019, my dad, Roger Slater was diagnosed with pancreatic cancer. After a courageous 11-month battle against this terrible illness, he passed away on 9th August 2020, in the middle of the Covid pandemic.

For many months prior to his diagnosis, he didn't feel 'quite himself and a little tired' but several check-ups were inconclusive, highlighting the fact that this form of cancer is difficult to diagnose.

I am therefore fundraising in my dad's memory for the charity that works hard, not only to raise awareness of pancreatic cancer and fund research into early diagnosis and treatment but also to support those families affected by this disease.

At the end of May 2021, I will be walking the 87-mile Ridgeway Trail from Avebury in Wiltshire to Ivinghoe Beacon in Buckinghamshire over 6 days.

I would be very grateful to anyone who is happy to donate to this incredible charity and support me in one of the biggest challenges of my life (so far!).

Thank you!
