St Michael's C of E School Newsletter

NO 34

Dear Parents, Carers & School Community,

Just a very early, short newsletter this week, as tomorow I am attending the Year 4 Residential Trip to The Caldecotte Xperience!

It's been a lovely week so far at St Michael's, and to make it even better today, we have just had the news that the company Nationwide Copiers has very kindly donated the full amount for us to purchase a School Defibrillator. Honestly, as I said in my email, I am blown away by the St Michael's School caring community.
Thank you to them and thank you so much, to all of the parents, that have also made donations toward this fund. The money will be used to educate our staff and help make our school community a much safer place to be.

Warmest Regards,
Mrs Dena Gardner,
School Secretary

ATTENDANCE

Mrs Beach

Mrs Beach will be moving on from St Michael's School at the end of the Summer Term.

Mrs Beach has been with us for three years, working in Years 1, 3 and 4.

We are very grateful to Mrs Beach for her commitment to the school during this time and wish her well for the future.

New Classes for 2021-2022

I very much hope to be able to provide parents with an update on your child's classteacher for September very soon.

We aim to have finalised our teaching team next week.

In recent weeks, we have been holding tours and interviews for candidates. Despite it being a very challenging environment in which to recruit teachers, I am delighted to say that we have been very pleased with the quality of candidates who have come forward.

Our conversion rate from tours to applications is exceptional. This is testament to prospective applicants seeing the positivity of the staff members that they meet on tour, witnessing how polite and friendly our pupils are, and seeing how attractive our school and grounds look.

COVID-19 Procedure Reminder

With Government extending the COVID Roadmap to stay in place for another 4 weeks, it is vital that we remain vigilant with our protocols and procedures to prevent the new Delta variant from entering our community.

Please can we remind parents that whilst on school grounds, only one parent per family should drop-off and collect your children and face-coverings must be worn.

If any of your household presents with ANY COVID symptoms they must go for a PCR test and self isolate until the results are back.
