NO 16

Dear Parents, Carers & School Community,

Happy New Year!

Goodness, what a rollercoaster of a week!

Well done to all of our staff, parents and children for really pulling together and supporting each other this week, when things are in such turmoil.

Mr Morley has literally had to close the school down and then restart it again, within a 12 hour period and now, today, we came to another halt, with school closing due to no water in the village.
I think this week would make an interesting movie! Ha!

This is a challenging time for all of us, lets remember we are all in this #together.

Warmest Regards,
Mrs Dena Gardner,
School Secretary

#together

At the moment you might be feeling a little bit anxious and worried.
This is really understandable, but God is with us and loves us.
I am hoping that we get to see some snow this weekend,
so I thought I would share this poem by Holley Gerth.

Sending you all love and prayers, Rev. Donna

The Meaning of the Snowflake

Every new snowflake comes to the earth
as a picture of our Saviour's birth,
Because they are sent from up above
and remind us of God's care and love.
Each one is so intricate and small
because Christ sees the details of us all,
and just as two are never the same
He knows and calls us each by name.
Snowflakes gently cover the world in white
and hide what's unlovely from our sight,
showing us how He covers our sin
and gives us His grace when we come to Him.
So may every snowflake bring Christ to mind
and in every bit of white may you find
a reason to celebrate anew
and a reminder of His love for you.
